This year's BCGWA Tradeshow and Convention promises to be our best yet. We'll be located on the shores of Okanagan Lake at The Lakeside Resort in Penticton, BC. We've shifted to a Thursday, Friday and Saturday agenda to better accommodate the schedules of more of our members. And, with greatly reduced room rates that will be extended for 3 days before and after the convention, it's an ideal opportunity for a Spring getaway with the family in the heart of BC's beautiful Okanagan! **We hope to see you there!**
