This year’s BCGWA Tradeshow and Convention will be located on the shores of Okanagan Lake at The Lakeside Resort in Penticton, BC. We’ve shifted to a Thursday, Friday and Saturday agenda to better accommodate the schedules of more of our members. And, with greatly reduced room rates that will be extended for 3 days before and after the convention, it’s an ideal opportunity for a Spring getaway with the family in the heart of BC’s beautiful Okanagan! **We hope to see you there!**
