

BCGWA 2022 TRADE SHOW & CONVENTION

WELL PUMP INSTALLER COURSE

This course reviews those aspects of hydrogeology, well pumping systems, workplace safety, regulations, and industry best practices that pertain to the installation, troubleshooting, and repair of well pump systems. The course is designed to help individuals prepare to challenge the ITA Well Pump Installer certification exam, but is also open to other groundwater practitioners, including consulting engineers, government agents, and well drillers.

Instructor

Ron Nelson (Precision Service & Pumps)

Date

April 7, 8:30am – 4:30pm

Registration

To register: <https://www.bcgwa.org/convention-2022-registration/>

Course registration includes breakfast, coffee breaks, lunch, and admission to the Meet N Greet Social

ITA Certification Exam Information

Taking the Well Pump Installer Course does not automatically qualify you to challenge the ITA well pump installer exam. To qualify, your application must be approved by the ITA.

For more information on this process, go to:

<https://www.itabc.ca/program/well-pump-installer>

There will be no opportunity to challenge the ITA exam at this year's convention.

Approved candidates can request to write their exam at one of the regularly scheduled exam sessions (12 locations) or at a local Services BC offices (60 locations) across the province.

For more information, go to: <https://www.itabc.ca/exams/writing-your-exams>
